With her body basted in oil like a pair of plump chickens ready for the oven, we thought for a moment that Audrey (23, from Yeovil) may have been considering swimming the Channel. Nothing quite so arduous — although it will involve spluttering through briny fluids. "I'm greasing my boobs up ready to take on my boyfriend and his mate's big cocks!" she grins.

I slid up her fanny to the hilt. I got a nice hot mouthful of tit as well, and jiggled her around on my knob. She's a bit loud when she's getting off, but she muffled it with the

Then, suddenly, I just felt my bollocks bunch right up and I was spunking deep in her gorgeous bum.

She came again as I pulled

shoulder of my jacket.

I was stroking her slit and crack, keeping myself hard with my free hand. Then I put my prick up to her wet pussy. "Up the arse," she groaned.

"Just stick your cock up my arse and fuck me."

I grinned as I wet the both of us with pussy juice, slathering it on my cock and upwards all over her arsehole.

I took it slow and gentle, just gliding up her arse, but she knew how to take it all right.

As I rubbed her clit, she was cumming all over the place, but I didn't think I was doing her hard

out, my cum dripping out of her arsehole. Then we got a cab back to my place and shagged each other silly all night.

Alley cats

The thing about my girl Denise is that she can seem sweet but she's a dirty little bitch underneath all that. After a nice rom-com at the cinema one night, she dragged me down an alley.

When her hand went down my pants, it was me worrying about us getting caught – she didn't give a toss.

She dropped her knickers, stepping out of them, and shoved them in my face, before grabbing my cock and rubbing it up against her naked belly.

I grabbed her, lifting her up, hands easily cupping her pert little bum cheeks. It was a bit of a fumble, getting me inside her, but finally she moaned as

Plane filthy

Recently, on a flight back from the USA, my flight was cancelled and all the passengers were put up in a hotel for the night.

A load of us headed for the bar, and that's where I ended up sharing a table with Pete and Laura, an American couple. They were really sweet and polite, asking about my holiday and suchlike, but after a couple of drinks Laura got quite flirty with me.

I didn't mind, there was something really sexy about her. At about 10pm, Pete said he'd better get her up to bed. "Can Helen come too?" she giggled. He rolled his eyes but invited me for a nightcap.

It wasn't like she was falling-over pissed, not even

she just dipped a finger in my juices. Then she slithered down in between my legs and started sucking them directly out of my cunt.

Pete stripped off. Although Laura was my age he was a bit older, but he'd looked after himself. I watched him wank himself for a bit, then I took over, gently pulling him closer until

hard. In fact, I think my contracting pussy set him off! Not long after I started coming back down to Earth, I felt this big, warm gush of cum inside me.

"Stay like you are," said Laura. She hauled herself up off Pete's face, then went around the back of me. She got me to tilt forward, body on body with Pete, then used her hand to pull his cock out of me. Immediately she started to lick me from behind. She sucked the spunk and juices from my cunt, lapping them up, and managed to bring me off again at the same

close, just less inhibited than she might normally have been. She kept saying stuff like, "You're so pretty, you know?" Finally she made a

comment about my hair, stroking it as she spoke. One look from me was all she needed to start kissing me.

I wondered what the deal was – did Pete just like to watch? That was a no. He sat on the other side of me to Laura, waiting to see how I'd react. I put my hand on his thigh, but just kept kissing her at my own easy pace. When we broke away I turned to him and snogged him too.

Pete undressed me, Laura taking care of any part of me he laid bare. As she sucked on my nipples, he was taking off my knickers, but he waited to give her the first taste of my snatch. First off,

turned it into a triangle.

Pete lay back and I sat on his cock, Laura burying her fingers in her hole as she watched me take it. Then she just sort of squatted down, really slow and controlled, over Pete's face, until she was sat over it.

I watched him suck her, heard the sexy noises he made. It got me moving – grinding and gyrating on top of him. Laura was doing the same on his face, then she leaned forward to give me another snog.

She came first, tearing her mouth off mine and burying her face in the crook of my shoulder. Then she reached down to tickle my clit. Stuffed full of Pete's big cock, I orgasmed quickly and really

time. And when Pete was ready for a sucking, she ate more of them off his cock.

We didn't sleep that night – there was no point when we had a crack-of-dawn start. I wondered whether they would be up for getting me into the mile-high club, but in the end I was literally too fucked from the night before!

Dear Julia

Hey there! Any chance of seeing more well-spread shaven pussies? My all time fave pic is one of Lynn from Bristol in vol 28 no 5. G, by email.

Julia says: You mean this one, G? Hairy or bare? Hirsute or bald as a coot? I can never decide how I prefer my fanny fuzz. Maybe I should give myself a half and half. Then again that would leave me with a pussy that looks like Mr Baxter out of Grange Hill. (Topicality alert - Ed.)

DEAR JULIA

Dear Julia

Kitty (from vol 32 no 11) is exactly the type of girl next door I buy *Escort* for - fresh faced, looks like a good laugh and dirty as hell by the sounds of her table dancing exploits. More Kitty! Matt, Notts.

Julia says:

Glad tidings! You can see more of Kitty's slitty in next month's Christmas issue. So rest easy until December 14th!

Dear Julia

You published the sexiest cover I've seen for a while of Samantha Bentley acting the horny little devil! And the letter from Dee of Lancs describing her trick and treating at a Halloween party gave vol 32 no 12 a spooky feel. I had a real shiver up my spine as I unloaded on to Sam's big knockers! Avoiding the stresses and strains of modern society is one of our prime aims in life – it's why we ended up working on Escort magazine, and it's why we spend an inordinate amount of time in the bath, reading books and smoking tabs, emerging only when our hands have got so pruney we can't hold our glass of gin any more. Ava spends a lot of time in the tub too. "My boyfriend loves to lather up my boobs and bum when they're pink with the heat! So we bathe together every evening!"

REAL WIFE SEX

Hannah,
Aldershot

Pretty woman Hannah's horny husband is hung up on the idea of turning her into a hooker

I'd suck and fuck him, and seeing the money he put on the dresser gave me a kinky thrill. He asked if he should be put some porn on the TV – maybe other pros use it to make them cum faster, but when he spunked it was all going to be down to me.

I pride myself on giving good head – Eddie says fuck my pervy mind, he married me for my blow jobs. And I sucked Don like I'd suck Eddie on birthdays and anniversaries, licking him all over, balls to tip, then using my hands and mouth to suck and rub and engulf his dick. I'd take it deep throat then, when it felt like he

was on the brink, I'd pull it out, squeeze it just under the head, then start all over again, building up to something that was even more intense.

I kept on sucking, teasing controlling then, when I felt him about to lose his load, I aimed his dick at my tits and face, coating them with pearly spunk.

I cleaned us both up, then settled back for a "porn break" watching the on-screen fucking and waiting until he was hard and ready again. I was desperate to get to Eddie, to tell him all about it – he'd be sat in our room wanking over the thought of what I was doing right now.

I lay back, legs splayed, playing with my pussy, waiting for Don to get between them. But he told me to get on my hands and knees, so he could do me doggy style. I tilted my bum up and back, flaunting my snatch, actually feeling a hit of excitement as he got himself ready behind me. I'd made sure

Having been married to Eddie for six years now, I would say he's the kinkiest, dirtiest and sexiest partner I could ever want. He feels the same about me too, but we like to push the boundaries. We've been swinging for about three years, with a bit of fetish clubbing, and just generally having all the filthy fun we can.

Recently, he took me on a weekend away – to an airport hotel! I wasn't impressed but then he told me what he had in mind. He wanted me to pose as a hooker and pick up a bloke. This wasn't a role play thing – it wasn't going to be Eddie or someone carefully picked and chosen. Obviously I had the choice to say no to whoever approached me, but I would be fucking a real punter if I agreed.

I actually felt nervous – almost virgin nervous – sitting at the bar in my tarty dress, hoping I was giving out the right signals. Eddie said if the manager asked

me to leave, it was a good sign. I noticed a businessman – grey hair and pinstripe suit – giving me the eye. He came over.

As I strutted off with him, I saw Eddie – sat in a corner of the bar – raise his glass and give me a wink.

The bloke's name was Don – that's what he told me anyway – and he

**I lay back, legs
splayed, playing
with my pussy**

actually seemed nice enough – here on business, missing the missus. I hoped he wouldn't be the type who just wanted to talk, but once I got my boobs out, it was clear what he was after.

As he played with them, a little bit roughly, I unzipped and started to wank his cock and balls. We'd agreed that

AS BOLD AS A BRASS!

that he was hard enough, giving him another quick suck, but he was stringing out the anticipation.

The moan I let out as his cock slid up my twat was genuine – I wish Eddie could have heard it. I don't fake – ever – and while this was all about my punter, I was going to enjoy it too. I reached down and started frigging my stiff little clit, rubbing it to the rhythm of his fucking. And it was giving him a big thrill – he was fucking me hard, maybe a little too fast,

but I was getting there now. Maybe it was out of order – you're meant to shag their way – but I gave a groan of pleasure then asked Don to stick a finger up my arse, telling him that would really get me cumming. He hesitated a little, then moistened it with my juices and slipped it in me down to the knuckle.

I started to cum like mad, tugging on his dick, and when he asked where he should jizz, I just clamped even tighter around him, holding him in me as he shot deep and hot.

The poor sod looked really confused when I said I didn't want his money. "On the house," I told him. Then, when he wouldn't let it go, I said he could buy me a bottle of wine – and he ordered champagne.

I insisted on him having a glass of it with me, then I took the rest of the bottle and went back to Eddie.

Eddie said he should spank me

for "selling myself short" and not taking the money. I said he knew it wasn't about that, so he just amused himself with the idea of this bloke now wanking over porn and wondering what the hell had happened.

The champagne was quality, so we drank it before it lost its fizz! Then Eddie bent me over a chair. I wouldn't have put it past him to give me six of the best, but

**I held him inside
me as he shot
deep and hot**

his cock was throbbing for a fuck. He'd wanked himself but hadn't cum – he wanted to save it for me, and he said I was getting it up the arse. Not because he had a problem with sticking it in an

Sweet charity

A few weeks ago, I started to do some voluntary work in local charity shop. There are two guys who work there, driving the van to deliver and collect

eyes out with those, Danny! Kev joked as Danny closed in on me too.

I soon had my T-shirt up around my head and bra removed as these two horny fuckers chewed and sucked on my tits. I was horny as hell

bed in the shop for sale.

I did as I was told as the guys stripped naked and then undressed me, leaving me in just my tights and knickers.

Danny started to suck and bite at my pussy through the nylon while Kev was face-fucking me as deep as I could manage. Danny asked me to lift up my arse so that he could finish stripping me. "Just rip them off her," Kev grunted. "Let's send her home with a spunk-soaked cunt." Within seconds I was naked as my tight and knickers were ripped from my wet fuck hole.

Danny moved my legs and in one thrust he was up inside me to the hilt. He then fucked me like only a 20-year-old can while Kev watched.

After a few minutes, I was put on all fours and Kev took over the fucking, with Danny coming round to my mouth

faster and faster.

I thought he was about to explode up my pussy but he suddenly pulled out and asked Danny if he thought I'd like my arse fucked. Without saying a word, Danny lay down and let me straddle

the stock. Kev is in his forties and Danny is twenty.

For the last week or so they have been flirting with me – playful bum smacks and the usual smutty comments. But it went a whole lot further last week.

It was time to close the shop: another girl I worked with had left early so I cashed up and waited for the lads to come back with the collections. It wasn't long and they soon pulled into the yard and came into the shop.

"Why don't we get Annie to help us with our loads, Kev?" Danny called out cheekily. We all had a giggle and then suddenly Kev came behind me, holding my waist and asked: "What do you think, Annie? Can you help with our loads?"

Before I could say anything, his hands moved from my waist up to my tits and he tweaked my nipples so they would stand out proud.

"Bloody hell, she'll have our

by now and told them to lock the door.

"Already done it, you dirty little slut. Now get your arse over here on this bed!" Danny ordered. There was an old

to complete the spit roast. I could taste my pussy on his cock as he fucked my mouth and he slammed deep into my throat.

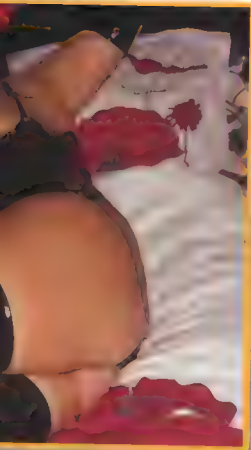

Kev was thrusting into me

him. I could feel Kev nudging his throbbing cock into my arse. I'd never had anal before, let alone double penetration, but because these two horny fuckers had

me so horny by now I just let him carry on.

I'm so glad I did – after the initial pain I suddenly felt a rush of orgasms as both my holes were slammed into. For the first time ever I gushed and the bed was covered in my juices.

This set Kev off and he told Danny he was going to cum soon and told me to open my mouth. They both pulled out and started to wank furiously.

Soon jets of their sticky spunk were filling up my mouth, and covering my hair and face. God, I looked a right whore when they were done!

"See, told you she'd be a proper slut in bed didn't I?" Kev said to Danny as we lay in a heap.

We got dressed and I said that we better empty the deliveries out of the van. They admitted that the van was empty tonight and they'd only come round to see if they could try their luck with me.

We all laughed when Danny announced that I'd have to knock fifty per cent off the price off the bed as it was now water damaged by me! I still see the guys every week!

ROXY

Hay, hay, let's get spunky! Roxy's got the look of one of those milkmaids of days gone by, all heaving cleavage and come-to-the-haybarn eyes. But milking strapping farmboys' cocks is just a fantasy for city slicker Roxy. "The nearest I've got really to having sex on a farm was getting fucked at a Harvester!" she pouts.

Modern nursery rhymes: Georgie porgie, pudding and pie, kissed the boys and made them... take off all their clothes, kiss her boobs, finger her clit, then give her a good boning!

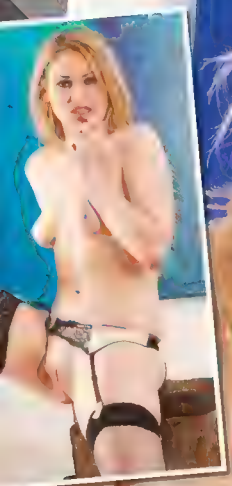

GEORGIE

In dirty Durham bird Amber's opinion, art galleries are only good for their always spotless public lavatories. "Art bores me, and when I'm bored, I get horny," she purrs. "When I get horny I need to pop a finger up my fanny, so a nice quiet toilet is always handy." Or not so quiet, apparently. "Once I was fingering myself in a public toilet and heard someone else doing the same in the next cubicle. I passed a vibrator under the partition and ten minutes later was getting fucked – loudly – with it by a total stranger!"

AMBER WEST

"My boyfriend's really religious and hasn't fucked me yet," moons Kike (25, from Croydon). "He says he's waiting till he can make an honest woman of me. We do everything else though. Last night I smothered him with my tits while I wanked him off. He shot his load all over my bottom before fingering me to a massive climax! I told him he might as well fuck me now but he's waiting for our wedding day!" We would have been Kiki-ing ourselves!

Blow show

There's a club in my area that has a "beach party" night every February – basically a sandpit and a paddling pool in one corner, and everyone has to dress up in summer holiday gear.

This year they had a wet T-shirt contest, with a week for two in Menorca as a prize. My mate Laura reckoned we

sometimes – she told him to strip off, then got a chair from the kitchen, telling him if he wanted to watch she'd have to tie him to it to make sure he behaved himself. He agreed to it a bit too quick – I think he got off on the idea.

We got ready, dressing up in Laura's sexy undies. She's two sizes smaller than me, but I managed to squeeze my tits and arse into them somehow. By the

time we strutted out, the lad, Dominic, had a bit of a lob on – and there was nothing he could do about it. A few lap-dancer moves – not close enough to touch, but close enough to make him think he could – and we got down to the main event.

I was trying not to giggle, but Laura was keeping it deadly serious. She put her mouth on mine, sucking on my tongue

and my nipple in her mouth, and that was me over and done with. I just let out this whimper and came all over her hand.

She went up to Dominic, showing him her juice-soaked fingers. Then she came back over to me and we licked them clean.

I'd already figured out what I was going to do to her – I got her to bend over and grab her ankles, then knelt behind

pussy, but I just kept lapping and fingering away until she was in a frenzy of pleasure.

Finally she straightened up, just as she was cumming. The extra head rush from standing up fast meant it hit her hard, and she screamed out loud

She gobbled him off then untied him

her. I spread her arse cheeks, swiping my tongue quickly up and down her slit.

Then I started twizzling it around in her expectant hole, flicking and pumping. She reached back to frig her own clit, and I started thumbing her gaping arsehole, giving her that extra tease.

It was hard to tell what was her orgasm, and what was just the natural tightness of her

in ecstasy. Dominic was moaning through his knickers-gag, his prick now looking painfully hard.

I told Laura we should leave him there, and fuck off into the bedroom for more fun. But when she joined me on my bed her mouth was dribbling with his spunk.

She'd gobbled him off, untied him, then told him to get lost! I almost told her off for losing me the chance to get some cock too, but what she did to me was more than enough consolation...

should go for it.

The blokes were going wild for this other lass, so Laura and I played dirty. We walked out together, poured water over each other, then started snogging and titting each other up.

"Just picture us on holiday together," said Laura and that was probably what won it for us in the end.

As we dried off on the dance floor the blokes were loving us. We got a few bitchy comments from the girls, but what can you expect? Then this one lad started calling us fakes – saying it was cheap how we'd just put on a lezzie act to win a holiday.

Dead right on every point, but we weren't having that – and Laura told him to come back to hers with us.

She's such an evil cow

as her hands stroked round from my back to feel up my tits.

There was lipstick all around my mouth, then all over my nipples too when she popped my tits out for a sucking.

Dominic let out a moan. We hadn't gagged him, but Laura slipped my knickers down, giving me a quick kiss on my shaved mound, then balled them up and shoved them into his mouth. He could have spat them out any time but he seemed to like them in there, the dirty git.

Now that my pussy was bare, Laura started fingering me, working three in and out of my snatch.

She definitely knew what she was doing. She had a thumb circling on my clit,

Kat called for a five-a-side team to attack her goalmouth in Escort vol 32 no 9

DEAR ESCORT,
After I appeared in *Escort* vol 32 no 9 and told readers that my secret fantasy was to have a session with a whole football team, I received lots of letters from men who wanted to help me fulfill my fantasy, which was no longer secret!

My hubby and I read through all the letters and carefully selected the lucky men who were going to be my very own five-a-side team, with just one goal... to pleasure me!

I had a few letters from Scotland and we decided to drive north for this "away fixture" - in Glasgow to be precise. Once we had arrived, we checked into our room, I shaved my pussy and changed into my white basque, stockings and suspenders before relaxing with a copy of *Escort* to get me in the mood.

The "players" all arrived on time and we were soon having a drink from the mini-bar and everyone was ready for some action. My hubby was the referee and

he did a great job, taking

pics of the sexy events and making sure that all the guys were playing the game properly, that's to say giving me fucking good time!

With five pairs of hands all over me, it didn't take

long for my lingerie to end up on the floor and me to end up on my back on the bed. Soon, all the cocks were hard and looking for pleasure.

I started to stroke the two cocks that were by my side and at the same time took one into my mouth. It tasted good.

The other men were playing further down and I didn't need much encouragement to spread my legs so that they could start to finger me. I like to be fingered gently and when one of them began friggng me too hard, hubby was quick to issue a yellow card! This guy quickly changed his tactics and his

gentler rubbing had my pussy juices flowing in no time at all

I urged the team to swap positions several times. I wanted to taste each cock and to see who could turn me on the most.

I was in heaven when the only black guy at the party started to nudge his big cock into my tight, smooth pussy.

He needed little encouragement and was

soon inside, stretching my lips and making me moan with pleasure. I had never had five cocks at the same time before but I was enjoying every moment, wanking off two and sucking off another, whilst the last one was massaging my peachy bum

Without warning, the black guy

£100

suddenly bucked and I felt a shot of warm spunk spurting into my pussy. Amazing!

We wanted to record as many goals as possible, so my hubby told the others that they should spunk on my face or tits, not inside.

spunk onto my pert nipples before collapsing into a heap. I was on the verge of cumming myself and so told the next two to shoot their loads onto my face.

They didn't hesitate to oblige and I found it such a turn on to watch them wanking themselves furiously, seeing which one would win the private race to cum first.

The final player was still massaging my bum with his hands and cock and he had to duck his head as the other two spunked at the same time, two shots of sticky, warm jizz hitting my face, chin and shoulders. Wonderful. Heaven.

This didn't stop them fucking me, of course, and as soon as the first guy had disappeared, he was replaced by another, smaller cock and the others all changed positions again.

As he fucked me good and proper, I continued to suck and

They got off and quickly left, leaving just one guy. He was happy to be alone and wanted to see me spread-legged and gagging for it. I was.

He stood over me and wanked his big cock right over my face before cumming in three waves of

wank his team-mates. As I did so, I smiled at my husband who was still busy recording everything for us to watch later.

No. 2 was ready to spunk and timed his move perfectly, pulling out and spurting his lovely white

the white stuff.

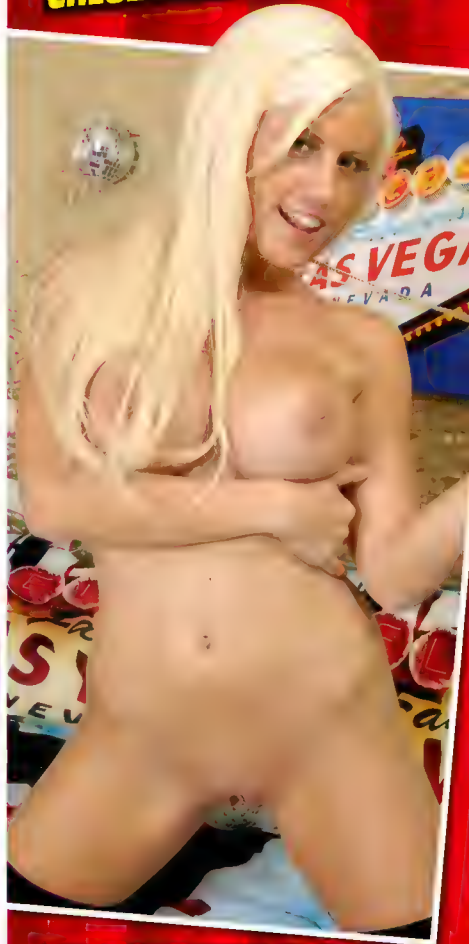

I came again, right as his spunk splashed into my greedy little mouth.

The team had all left, which left my hubby and me alone, but that's another story!

REAL WIFE SEX

Hannah's story continued from page 19

He lubed me up and fingered my pussy open

already well-fucked pussy – he'd done that to me often enough at sex parties. He was just in the mood for anal.

He lubed me up, and fingered me open and ready to take his cock, and I let out my loudest moan of the night so far as his helmet stretched my bum wide. I'd told him what had gone on, but now he wanted the filth, to hear how Don's big dick had got me cumming, but couldn't satisfy me like his.

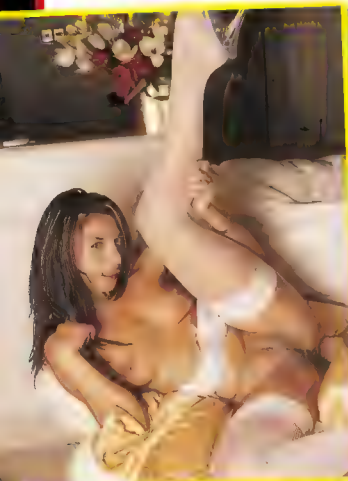

My juices were teeming out, soaking my inner thighs, while I told Eddie I wished Don was here right now, fucking his salty length in and out of my mouth. But that didn't matter – all that mattered was the girth buried in my arsehole.

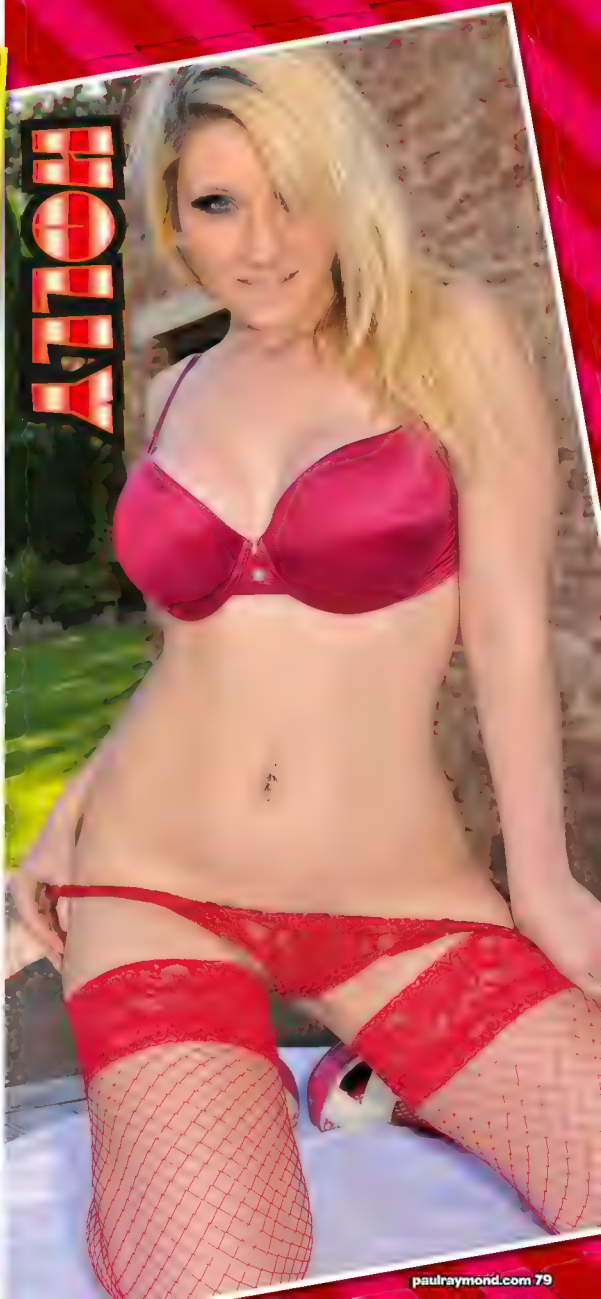

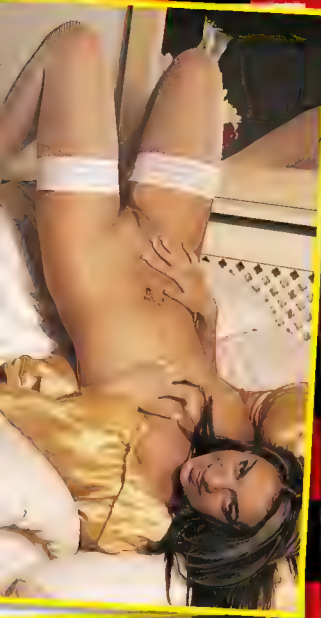

He kept telling

me how kind Don had been to let me cum, to indulge me. I could only cum when he – Eddie – told me to, then he ordered me to frig my clit until I did. My orgasm shuddered through me, closing my arsehole like a vice around Eddie's dick. But he kept on fucking me and got me talking dirty until he'd satisfied himself, shooting into the depths of my bum.

I still hope it wasn't too much of a headfuck for Don and that all in all he had a good time. If he's reading this, we want him to know that thanks to him, we had one of our kinkiest-ever experiences – and that's saying a lot! We'll let *Escort* readers know of any more exploits!
Hannah, Aldershot.

When Holly said she had dreams of becoming a table dancer, she didn't mean a contract obliging her to cavort on a picnic table in the *Escort* back garden, free from tips, flat bubbly and passing millionaires. But why not when you can have the *Escort* readership saluting you in spunk! "I was thinking about them spraying my boobs!" she sighs. "So hot!"

My toy boys

After weeks of fucking around with my new husband Rob and my sex toys, I asked if we could bring in another bloke in for a threesome.

A few weeks later, Rob gave me a call and told me to dress sexy. He was bringing Mike, a bloke he knew from work, around to ours for a few beers, and maybe more if I was up for it.

As the blokes sat with their drinks, I sat in an armchair, openly frigging my pussy. I hadn't even bothered wearing knickers under my short skirt. Then I pulled my dildo out from where I'd hidden it, under a cushion, and rubbed it over my slit.

The boys soon joined in this wank fest. I tottered over to

Sally, Cumbria

Mike on my high heels and started to blow him.

Rob didn't hang about. As soon as I hit my rhythm, slurping away on Mike's helmet, he got in behind me and just thrust right up my cunt.

His crotch banged up against me and I let him set the rhythm, making a tight tube shape with my mouth and fingers. That way Mike would feel like he was getting fucked and sucked at the same time.

Rob was obviously more excited than he was letting on – it wasn't long before I felt his crotch shudder against my arse and a load of spunk shoot out inside me. But the instant he slipped out, he jammed the dildo in my cunt and started fucking me with that instead. He used it hard in me, whipping and churning up my wetness, before pulling it out again.

I arched up, leading Mike

a bit further forward. Rob handed me the dildo, coated with spunky juices, and I rubbed it all over my tits. Mike wanted a bit of that for himself and grabbed the dildo from me, working it in and out of my mouth as he whacked his cock in between my breasts. I

Slitty break

My husband Al and I always take an annual shag break in July. But this year work got in the way and Al had to follow me to the hotel the next day.

About an hour after I'd gone to our room, the duty manager knocked. Al had phoned and asked him to deliver a bottle of champagne. "Shall I open it for you?" he

asked. "Not unless you're going to stay and drink it with me," I said. I thought he'd just make his excuses and leave, but he hung around and I ended up saying how pissed off I was with Al for blowing me out.

The manager, Henry, was in his mid-twenties, and reckoned it was Al who was really missing out. Fair point – in the hope that it would cheer me up, I'd put on a short, silky slip dress over black lingerie, including stockings and suspenders. Henry caught himself maybe getting too flirty and said he'd better go, and I realised I didn't want him to. "What the hell – crack it open," I said.

He'd only brought one glass and we shared, sipping from it or swigging from the bottle. Then I moved in for a kiss and let him take it from my mouth. "What about your husband?" he asked. "He's not here, is he?"

I smiled.

Henry seemed to like me taking the lead, like he was less to blame

if I made all the running. I stripped down to my underwear then undressed him and laid him back on the bed, noticing how his hard cock stretched almost all the way up to his belly button.

I straddled him, rubbing

him with more mouthfuls of it, feeling it fizz against my tongue and his salty bell-end.

He was a bit nervous, but horny enough to override it. I pulled my black panties to one side, rubbed his cock against the wet entrance to

my snatch, then just ground down on it, pouring the last of the champagne down over my tits to drizzle into his open

It didn't take him long to reach the brink of cumming,

and as the cream started to spurt out of his tip, I aimed it at my face and boobs, making as big a mess of myself as I could manage.

I aimed his tip at my face and boobs

I actually think Rob was slightly shocked at how slutty I was being, lost in some kind of sexed-up trance as I smeared cum all over my cheeks with Mike's pumping prick.

Both of the lads were spent for now, but I'd only just got started. I grabbed the dildo off Mike and started fucking myself. Rob started wanking almost immediately, and as I orgasmed, I saw Mike's hand stray to his dick too. I just kept going all night, frigging myself into a frenzy, although I never had to go long without having a real cock hard and ready for me!

We've now talked about involving another woman!

mouth off my nipples.

He lasted ages, given how hard I rode him.

I'd bring my arse down, grinding it about, and feel him thrusting up into me, really hard and strong. He strained a bit, as I tightened my cunt walls around him, then just gave up and went with it.

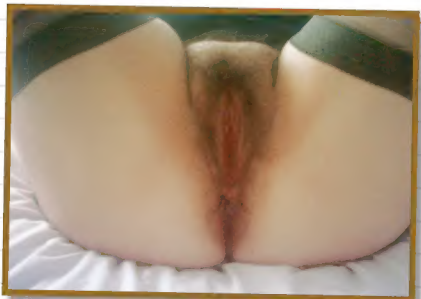

I was rubbing my clit myself, close to cumming, and as I felt the explosion of his spunk inside me, it tipped me over the edge.

He made a move pretty sharpish after that – I told

him if anyone asked, I'd got a bit drunk and he'd had to make sure I was okay. He'd definitely seen to me anyway! And me being pissed might explain the champagne over the bedclothes.

Obviously, those got changed by the time Al arrived, and I was all fired up to make up for the Friday-night fucking he'd missed. He wasn't surprised to find me all wet and juicy, but I didn't tell him exactly why.

Jo, Bath.

Down under

My girlfriend Karen brought her Aussie mate and a sex toy round on Friday night.

It was a double-ended dildo, in clear pink jelly, and Karen showed it to me by rubbing the tip along Beth's slit. She let me suck the juices off it, then moved back down to the other end of me.

My body felt like it was prickling all over with anticipation, especially when

faster than Karen wanted it to. She kept pulling back and trying to screw it slowly and gently, but soon gave up on that and started thrusting hard instead.

I felt and heard my pussy squelch and suck on it, the sound dampened out as Beth's thighs tightened around my head.

Beth was squirming on my face and although the dildo had looked quite long, my cunt and Karen's were swallowing it up totally. As

Our cunts swallowed up the double dildo

I heard Karen moan as she shoved one end of it up herself. Beth reached down to frig her own clit, obviously feeling a bit neglected by me, so I started licking her again. Then I jumped as Karen started spanking the free end of her dildo lightly against my mound. My lips buzzed against Beth's cunt, and then I thrust my tongue deep in her snatch as Karen butted the head of her toy against my hole.

I was so wet, so horny, the dildo seemed to slide in me

Karen humped up against me, I felt her pubes brush against my bald mound.

I felt so wet and sticky between my legs, and Beth was juicing in my mouth too. I wedged two fingers around her clit, rolling and tugging on it, and heard her beg Karen to suck on her nipples.

The dildo ploughed my pussy from another angle as she shifted position, and I honestly can't say which of the three of us came first, it all happened so fast.

Ariel, Notts.
